

## Invitation

### 10 Years of Open ENLoCC

November 17, 14:00 – 18:00  
Rue Montoyer, 21, 1000 Brussels / Belgium  
(premises of Emilia Romagna office)

Dear Friends of the Open ENLoCC Network,

On November 17, 2006, Open ENLoCC was created, the European Network of Regional Logistics Competence Centers. Today we are 17 partners from regions all across Europe, which we will celebrate on the day of our 10<sup>th</sup> anniversary, together with other institutions of Brussels and the regions of Europe, all dealing with logistics and transport.

In the past 10 years, we have had a lively exchange of ideas and work. We give each other insight into the specifics of our knowledge and of the regions we are from, all with hindsight to logistics. This knowledge we spread across Europe.

The format is “Pecha Kucha”: All presenters will show exactly 20 power point slides for 20 seconds each. Through this format, we will have a very lively afternoon full of distinct and meaningful presentations. In the name of all Open ENLoCC members, I invite you to take part in the celebration.
